All Inclusive Amenities

Enjoy five-star, locally sourced cuisine on board multiple dining venues on every ship.

Drinks inclusions per ship are listed on each part of the itinerary.

Intimate and Relaxing Experience

Compared to ocean cruising, a river cruise ship is smaller and therefore offers guests a far more intimate experience.

On this journey, our ships capacity vary between just 56 and 84 guests.

Unique Travel Experiences

By nature, cruising along rivers allows you to travel directly through the heart of countries, giving you incredible access to explore the true rural life of the countries you explore.

Sailing by river means enjoying all the conveniences of a traditional cruise, along with all the benefits of inland travel. Stopping in multiple destinations on every trip, you'll visit bustling cities and hidden gem villages, unpacking only once. Even while onboard you'll be immersed in the local sights, with ever changing views right outside your window. River cruising is absolutely the best way to cruise, and the best and most luxurious river cruise is with Uniworld.

Award Winning, Floating Hotels

One of the highlights of your river cruise is the Super Ship you sail on. You have access to your very floating hotel that you can call home for the week, with luxurious amenities, beautiful public spaces and multiple dining venues throughout.

Local Enrichment Opportunities

On a Uniworld cruise we have selected the must sees on every itinerary. These once in a lifetime experiences range from behind the scenes access to the world's greatest landmarks such as the Taj Mahal, exclusive after-hours access to enjoy.

Uniworld Tour Director

Throughout every leg of your journey you will be accompanied by a Uniworld Tour Director. These local experts will ensure both the land and river elements are perfectly executed and the hidden gems of regions are explored.
