# ITTN AWARDS

The annual Irish Travel Trade Awards is the travel industry's Oscars.

This is the biggest night for the travel industry as we gather all of our industry colleagues and friends to celebrate their work throughout the year.

The awards recognise and reward excellence in product and service as voted by Irish travel agents and industry-leading suppliers. We promise this will be a night to remember.

We have tables of 10 or 12 available and many exciting sponsorship opportunities. Contact [dermot@ittn.ie](mailto:dermot@ittn.ie) to chat about getting involved.
